

# 9<sup>TH</sup> ANNUAL SCIENTIFIC MEETING

**FRIDAY–SUNDAY  
SEPTEMBER 20–22, 2019**

GAYLORD OPRYLAND RESORT  
NASHVILLE, TN

## SAVE THE DATE!

Drawing from both scientific and clinical research, the Southern Headache Society 9th Annual Scientific Meeting will focus on clinical advances in headache medicine. Lecture topics will include updates on the use of neuromodulation, new therapeutic options targeting CGRP, and management of primary headache disorders—including migraine and cluster. The curriculum is intended for both specialists in headache medicine as well as general neurology, psychologists, and primary care providers treating headache.
